

A detailed map of a campus with various buildings, sports fields, and a lake. The map is overlaid with navigation instructions. Yellow arrows show a path from the bottom left towards the center. A white box is placed on a lawn area in the center. A white arrow points from the white box to a large building. A white text box in the bottom left provides entrance information. Another white text box in the middle right provides directions from the white box to a specific building.

There are two entrances to campus. It is best to enter from the south gate, the entrance across from The Children's Meetinghouse at 1413 Lowell Road.

Please follow the main drive (yellow arrows) onto campus and park on the lawn denoted by the white box. Walk across the circle to Ware Hall (white arrow). The meeting room is on the right when you enter the building.
